Notwithstanding the provisions of this section, Packeteer assumes no liability or obligation to indemnify for any infringement or misappropriation claim of any kind arising from: (a) use or combination of the Software with other products not provided by Packeteer, if such infringement claims would not have arisen with respect to the Software standing alone, (b) use for which the Software or part was not designated, (c) any modifications to the Software unless such modification was made by Packeteer, or (d) the use of other than the current unaltered release of the Software. The foregoing provisions state the entire liability and obligations of Packeteer and the sole and your exclusive remedy with respect to any actual or alleged infringement of any intellectual property right by the Software.
